RE: Ohio Republican State and Central Executive Committee
July Quarterly Report (4/1/98 - 6/30/98)

Dear Ms. Denny:

This letter is in response to the Commission's request for additional information regarding the above referenced reporting period.

Your response states that the \$5000 Primary Election contribution made to the Heather Wilson for Congress Committee, but disbursed after the Primary Election date, was intended for "Primary Election Debt". It appears that the committee did not incur debt during the campaign.

We have further researched the contribution in question, and were correct in our initial filing of this contribution. The contribution was made on June 1, 1998 which was the date of the Primary election in New Mexico. The contribution we made on June 11, 1998 was for the Special election, which was held in New Mexico on June 23, 1998.

Should you have any further questions or concerns, please contact us.

Sincerely,

Terri Matthews
